

# *"What's for Dinner?"*

Dear Neighbor:

If you're anything like me, you sometimes wish you'd never have to hear those words again!

Maybe you've come home from a particularly trying day at work, only to be bombarded with those words as soon as you open the door. You have NO IDEA what to prepare for dinner. What you'd *really* like to do is sit back, kick off your shoes and unwind with a nice cold drink. *But your family won't go away . . .*

Or perhaps you've been running around all day: carpool . . . . . soccer practice . . . . . music lessons . . . . . taking the dog to the vet . . . It's now 6PM and you ran out of time to go to the grocery store. Your kids are screaming for supper, there's nothing in the house to eat. *You wish someone would cook YOU dinner once in a while . . .*

Or maybe you've had a reasonably easy day, and decided that you'd fix something special for dinner. You've got the ingredients, you've got the time, but – upon hearing what you've planned, your kids *and even your spouse* complain that *that* isn't what they want. In fact, they each want something different! You throw up your hands in frustration. *They can just fix their own dinner as far as you're concerned!*

## **Does any of this sound familiar to you?**

Or maybe you just want to do something different for a change. Change of scenery . . . Change of menu . . . Some place you can just relax and unwind while enjoying one of the best meals you've ever had . . . . .

## **Have you tried CC *Bistro* yet?**

Have you experienced what *The Pacific Sun Times* has called, "extraordinarily handsome, comfortable dining... delicious dishes...with consistency and innovative flare... the menu is a dream..."?

*Imagine . . .* strolling into a room as lovely, inviting, and comfortable as your own living room... maybe even more so (if you're like me on most days). You are surrounded by tasteful, elegant furnishings in a room so light and airy you'll instantly feel the day's stresses leave you like a weight off your shoulders. Soft music soothes you even further, as does the view of the river on one side of the room and a huge rustic wood-burning fireplace that dominates on the other.

You are seated at a large oak table by a friendly waiter, and can relax while World Class Chef I.M. Cooke prepares a mouthwatering meal for you. The menu boasts such specialties as Prawns & Spinach Salad in sweet vinaigrette ..... Filet Mignon with Portobello hash ..... Sautéed Alaskan Halibut with saffron risotto and asparagus .....

Or try one of a dozen pasta specialties, such as Penne with smoked salmon, leeks, tomatoes, and pepper-vodka cream sauce ..... or one of my favorites is their pizza baked in a wood-burning stove. The menu at CC Bistro is quite varied, so if you want Kung-Pao Thai Shellfish Sausage in a crisp wonton shell . . . or Mustard Crusted Rack of Lamb with blue cheese stuffed dates and tricolor lentils, but your spouse wants simply steak and potatoes, you will **both** enjoy a first-class meal.

### **AND YOU CAN BRING THE KIDS**

The Bistro has one of the best kid's menus around! Plus, activity books and crayons are provided for your little ones.

### **Wine Spectator Award of Excellence**

Compliment your meal with an extensive selection of Napa and Sonoma County wines. The elegant full-service bar also offers an assortment of flavored mineral waters as well as fine gourmet coffees. Have a drink while you wait for your table, or unwind and choose to eat your dinner at the bar, if you prefer. You can't beat the company, or the ambiance – and certainly not the food!

### ***But is it Affordable?***

### **You Bet.**

But don't just take my word for it, go and see for yourself. All it took for me is one time and I am hooked forever. I have never had so enjoyable a meal as I did at CC Bistro --and my kids loved it too!

***So next time someone asks, "What's for Dinner?"  
and it makes you want to scream .....***

**SMILE.**

And head for CC Bistro. Let someone else be in charge for a while. You deserve it!

Cordially,

L. E. Book
